## From the Organizing Chair

Dear Delegates,
It's a matter of great pride to welcome international/ national forensic odontologists and forensic medico legal experts to Lucknow, the "City of Nawabs", the capital city of Uttar Pradesh.
The International Conference of Forensic Odontology & Child Abuse (2019) will focus not only on the latest trends and updates in the field of Forensic Odontology and will spread awareness regarding topics of social usage such as child abuse but also will help to establish medico-legal significance of a dentist. It will also provide a platform to meet experts/scientist and initiate future collaborations and strengthening of scientific ties between them and their countries.
Through the workshops on different themes will be held related to forensic odontology, child abuse, bite mark, DVI & 3D Scanning and Printing, poster session, oral presentation.
We hope to assist you in forensic odontology and child abuse issues and aim to advocate awareness regarding the complexities of current forensic medicine Practice.
There are 4 sessions for lectures and 5 pre-conference workshops that will give participant hands on experience.

**Who Should Attend:**

- Faculty & Dental UG/ PG Students,
- Faculty & students of Forensic Science, Forensic Odontologists
- Forensic Anthropologists, Forensic Experts, Paediatrician, Pedodontics, Psychologists, Law enforcement Officers, Medico- legal experts, Police Officers.
