Similar items manufactured by other firm(s) shall not be suitable for our purpose for the following reasons:-

Online platform of e-books and videos is the latest online platform introduced by the globally renowned Indian Publisher and to the best of my knowledge and belief no any other Indian publisher, renowned globally, is providing such online platform, which covers the various fields of studies like Medical, Nursing, Paramedical and Health Sciences under single umbrella. Though, others online platform of e-books and videos may be available through foreign publishers which will be too costly and will cover only selected specific field. This Online platform/package was subscribed for this University in 2015 and has been/is being utilized by the Faculty and Students of this University with their full satisfaction due to its design aspects and contents which are very convenient, flexible and user friendly.

Re: Statement of Sole Source Provider

Dear Ladies and Gentlemen,

UpToDate is an evidence-based clinical decision support resource that offers comprehensive, peer-reviewed content in 25 medical specialties: Adult and Pediatric Emergency Medicine; Adult Primary Care and Internal Medicine; Allergy and Immunology; Anesthesiology; Cardiovascular Medicine; Dermatology; Endocrinology and Diabetes; Family Medicine and General Practice; Gastroenterology and Hepatology; General Surgery; Geriatrics; Hematology; Hospital Medicine; Infectious Diseases; Nephrology and Hypertension; Neurology; Obstetrics, Gynecology and Women's Health; Oncology; Palliative Care; Pediatrics; Psychiatry; Pulmonary and Critical Care Medicine; Rheumatology; Sleep Medicine; and Primary Care Sports Medicine.

Used primarily at the point of care, UpToDate is available online via computer or mobile device. With a subscription or site license, clinicians can access more than 10,500 topics (including text, graphics, and links to more than 425,000 references), graded recommendations, a select drug database and drug interactions tool (in partnership with Lexicomp®), calculators, and patient information.

More than 6,300 physicians, internationally recognized as leaders in their fields, write UpToDate topics. The content incorporates findings drawn from more than 460 journals, our physicians' collective clinical experience, and recommendations based on the best available evidence. UpToDate topics undergo rigorous peer review and are updated continuously to ensure the content remains both current and accurate. In addition, UpToDate does not accept money from advertisers, so the information is free of commercial bias.

UpToDate is in use in more than 180 countries and has been shown in numerous independent studies to be associated with improved medical knowledge, improved quality of care, reduced complications, reduced medical errors, reduced length of hospital stay, reduced cost, and lowered mortality. There is no other resource that offers UpToDate's breadth of content, synthesized information, and organized, searchable format. UpToDate is a sole source provider of the above-described services.

Sincerely,

James Prendergast
