

Brief Bio-Data

Name Dr. Pronob Kumar Dalal
Date of Birth 10th January 1956
Father's name Late Shri P.N. Dalal
Present address
Official Professor & Head
Department of Psychiatry
King George's Medical University U.P. &
G.M. & Associated Hospitals
Lucknow - 226 003, Uttar Pradesh
India
Residential F -2026, Rajajipuram
Lucknow- 226017
Registration No. 26067
Educational qualifications M.B.B.S. - K.G.'s Medical College,
Lucknow in December 1979 passed all subjects in first attempt.
-M.D. (Psychiatry) - Department of Psychiatry, K.G.'s Medical College,
Lucknow (first attempt) -1984.
Teaching experience (a) Senior Resident- 1984-85
(b) Lecturer/Assistant Professor-January 1986 to April 1997
(c) Associate Professor - April 1997 to April 1999.
(d) Professor- April 1999 to March 2010.
(e) Professor & Head – April 2010 – till date
Department of Psychiatry, K.G. Medical University U.P., Lucknow

Research publications:- 100 (One Hundred)

1. **P.K.Dalal** & Manu Agarwal (2010) Book chapter entitled "Recommendations for management of Schizophrenia in pregnancy and lactation "in Women & Mental Health, an official Publication of Indian Psychiatric Society.
2. Debasish Basu & **P.K.Dalal** (2014) Publication of book entitled "Clinical Practice Guideline for Assessment and Management of Substance Use Disorders. Overview of IPS Guideline 2014" on behalf of IPS-SS-SUD.
3. **P.K. Dalal** & Debasish Basu (2015) Publication of book entitled "Synopsis of the Clinical Practice Guideline on Substance Use Disorders" on behalf of IPS-SS-SUD.

Book review:-

1. **PK Dalal**, (2001), Book review Substance Use Disorder, Indian Journal of Psychiatry, 43(4), 381
2. **PK Dalal**, (2002), Book review Alcohol Related Problems : A Manual for Medical Officers, Indian Journal of Psychiatry, 44(3), 311

Research involvements:-

(a) **Chief supervisor of M.D. (Psychiatry) Thesis: -19**

1. 3H Paroxetine binding in Opioid Dependent patients.
2. Magnetization Transfer Imaging study of conversion disorder with seizures or convulsions
3. A comparative study of cognitive functions in alcohol and opioid dependence
4. A study of Psychiatric comorbidity in alcohol and opioid dependence
5. A study of Metabolic Syndrome in Schizophrenia and Bipolar I disorder.
6. A study of psychiatric co-morbidity in post myocardial infarction patients.
7. A study of cannabis use in schizophrenia
8. A clinical study of obesity and metabolic syndrome in major depressive disorder and bipolar depression.
9. A clinical study of factors associated with relapse in patients with alcohol or opioid dependence
10. A study of frequency and phenomenology of adult attention - deficit / hyperactivity disorder in a defined adult psychiatry OPD population.
11. A clinical study of factors associated with relapse in patients with alcohol or opioid dependence.
12. A study of neuronal nitric oxide synthase expression and nitrite level assessment in circulating neutrophil and plasma of drug naïve schizophrenia patients.
13. A study of substance use in adolescents attending psychiatry OPD.
14. A study of family assisted cognitive training in patients of schizophrenia.
15. A study on oxidative stress in patients of major depressive disorders.
16. A study of Home Based Cognitive Training in Patients of Schizophrenia
17. A clinical study of Psychiatric co-morbidity among Upload dependent patients using injectable drugs.
18. A study of Psychiatric Morbidity in perinatal women.
19. A study of oxidative stress in Bipolar I disorder patients.

(b) **Co-supervisor of M.D. Thesis:- (Psychiatry-42)**

1. Placebo Controlled Study of Imipramine in Schizophrenia With Depressive Syptomatology
2. A Psychosocial Study Of Elderly In A Rural Population
3. Role Of An Immunomodulator In Treatment Of Schizophrenia
4. Therapeutic evaluation of carbamazepine, lithium and haloperidol in cases of mania
5. A clinical study of suicidal behaviour in Psychiatrically disordered children and adolescent
6. A Computed Tomographic Study Of Schizophrenia
7. Psychiatric Aspects Of The Amputees
8. A Study Of The Use Of Thyroxin Along With Impiramine In Depression
9. A Study Of Co- Morbidity In Patients Of Psychoactive Substance Dependence
10. Double Blind Comparative Study Of Clomipiramine And Fluoxetine In The Treatment Of OCD
11. CSF-5-HIAA In Violent And Non-Violent Suicide Attempters
12. Compansion Of Events Related Potential (ERP) Between Schizophrenics And Their First Degree Relatives
13. Serum Lipid Profile In Depression
14. To Compare The Therapeutic Efficacy Of Sodium Valporate And Lithium In Mania
15. A Study Of Event Related Profile In Depressive Patients
16. A Randomized Placebo Controlled Double Blind Efficacy Study Clonidine In Hyperkinetic Children
17. A Proton Magnetic Resonance Spectroscopy Of Pre-Frontal Cortex And Basal Ganglia In Schizophrenia
18. Serum Lipid Profile Of Suicide Attempters
19. A Study Of Clinical Predictors Of Dystonia In First Episode Psychotic Patients Receiving Oral Haloperidol Or Cenbutindole
20. Proton Magnetic Resonance Spectroscopy Study Of Basal Ganglia In Depression
21. Comparative Efficacy Of Risperidone And Haloperidole In Acute Psychosis
22. Comparative Efficacy Of Centbutindole And Resperidone In Schizophrenia
23. Platelet 5ht₂₁ Receptor Binding In Depression
24. A Comparative Study Of Coping Skills And Body Image In Breast Cancer Patients who have undergone mastectomy Vs Those Who Have Been Treated Non-Surgically
25. Clinical Evaluation of Standardized Banopa Manniera Extract in Elderly Subjects with Age Associated Memory Impairment
26. A Study of pattern of Psychiatric Illnesses in patients attending Sex Clinic at Dept. of psychiatry, K. G. Medical College
27. Burden of Care on Key Relatives of Patients of Obsessive Compulsive Disorder
28. A Study of Psychiatric Referrals of inpatients from Medical Wards
29. A Comparative Study of St. John's Wort and amp; Fluoxetin in Patient's of Mild to Moderate depression.
30. Burden of Care on Key Relative of Patients of Dementia
31. A study of Cognitive function in Euthymic Patients of Recurrent Major Depressive Disorder
32. A Preliminary Study of the factors affecting non compliance to drug treatment in clinic Children and Adolescents suffering from Attention Deficit Hyperactivity Disorder
33. Magnetization Transfer Imaging study of conversion disorder with seizures or convulsions
34. A comparative study of phenomenology of adulthood and geriatric depression
35. Neurocognitive dysfunctions in patients of somatoform disorders
36. A study of intent of suicide in cause of depression
37. Cognition in non-affected full biological siblings of patients with Bipdas-I Disorder
38. Assessment of cognition in unaffected full biological siblings of patients with bipolar disorder.
39. Pathway of care in first episode non affective psychosis
40. study of brief psychosocial interventions in key relatives of schizophrenia
41. A study of pathway of care in neurotic, stress related and somatoform disorders.
42. A study to evaluate and compare the acceptance, attitude, anxiety, efficacy and adverse effects of unmodified electroconvulsive therapy and electroconvulsive therapy with low dose propofol.

Participation in workshop and conferences:-

- (a) International -17
- (b) National – Participated in almost all the National and zonal conferences of Indian Psychiatric Society and chaired various sessions as well as presented various papers.

Memberships:

- (a) Life Fellow of Indian Psychiatric Society and its Central Zone Branch
- (b) Fellow of Indian Association of Social Psychiatry
- (c) Life Associate Fellow of Indian Association of Clinical psychologists.
- (d) Life member of Indian epilepsy association

Office Held:

- (a) Zonal representative to Indian Psychiatric Society (2008-2011)
- (b) Editor of Indian Journal of Behavioural Sciences since - 1997-2003.
- (c) Vice President of IPS central Zone - 2003-2004.
- (d) President of IPS central Zone - 2004-2005.
- (e) Executive Council Member of Indian Psychiatric Society Central Zone since 1993 till 1997.
- (f) National convener of IPS Task Force on Mental Health Act.
- (g) Member of IPS Task Force on Suicide Prevention.
- (h) Chairperson of IPS Substance Use Disorder Specialty Section.
- (i) Member of the Technical Committee OF DGHS Apex committee for supervising and monitoring The conduct of clinical trials in the country.
- (j) Member, WPA Section on Preventive Psychiatry in May, 2013
- (k) Member National Advisory Committee for the WASP 2016 Congress.
- (l) Member, Core group of Clinical Practice Guidelines, 2015.

Awards:

1. Recipient of 1st Professor A.D. Engineer Award-1.
2. Awarded Central Zone Oration by the Central Zone of Indian Psychiatric Society -2000.
3. Recipient of Best Paper Award of Indian Psychiatric Society Central Zone -2001.
4. Tara Naidu Award for best free paper received at 34th Annual Conference of Indian Psychiatric Society-Central Zone,
5. CIPCON-2012 held at Agra on 21st & 22nd September, 2012
6. Best Paper Award received at 34th Annual Conference of Indian Psychiatric Society-Central Zone, CIPCON-2012 held at Agra on 21st & 22nd September, 2012.

Examiner:

1. For MD (Psych.) examination of Delhi University,
2. For MD (Psych.) examination of B.P. Koirala Institute of Medical Sciences, Dharan , Nepal.
3. For MD thesis (Psych.) at AIIMS, New Delhi.
4. For MD thesis (Psych.) at PGI Chandigarh.
5. For MD (Psychiatry) examination at AIIMS New Delhi.
6. For MD (Psychiatry) examination at PGI Chandigarh.

Other Activities:

1. Keynote address at the Indo-US Symposium on “Impact of Early Life Adversity on Developing Brain” held at K.G. Medical University, Lucknow on October 29th, 2013.
2. Chaired a session “Research on Vulnerable populations” in the seminar on Strengthening Ethical Review, Conduct and Monitoring of Clinical Trials at K.G. Medical University on 18th October, 2013.
3. Contributed as speaker (8 lectures) in Induction Training of Harm Reduction in Intravenous Drug Use at Regional Technical Training Centre of the National AIDS Control Organization, Department of Psychiatry, King George Medical University, Lucknow from 21st to 25th July, 2014, 16th – 20th of December 2014 and 10th to 14th March, 2015 in Collaboration with Emmanuel Hospital Association, Project Management Unit, New Delhi, under Global Fund to fight Against AIDS, Tuberculosis & Malaria, round 9 for Intravenous Drug Users.
4. Conducted several inspections, compliance verification of Medical Colleges for recognition of MD Psychiatry courses on the request of Medical Council of India.
5. Inspection of Agra and Bareilly Mental Hospitals, as nominated member of committee formed by Ministry of Health & Family Welfare, Government of India, New Delhi. Inspection carried out from 26-06-2015 to 27-06-2015.
6. Inspection of Varanasi Mental Hospitals, as nominated member of committee formed by Ministry of Health & Family Welfare, Government of India, New Delhi. Inspection carried out on 10th of August, 2015.
7. Reviewed various papers for Indian Journal of Psychiatry, Indian Journal of Burns and Indian Journal of Medical Research.
8. Member faculty selection committee in UPSC, New Delhi, UPPSC, Allahabad and various Institutes and Medical Colleges of the Country.

Clinical Trials:

Principal Investigator for:

1. A study of Effects of LY2216684, a Selective Norepinephrine Reuptake Inhibitor NERI in the Treatment of Major Depression). Sponsored by US based company.
2. A Multi-Center, Double Blind, Randomized, Placebo-Controlled, Parallel Group, Flexible Dose Titration, Add-On Study of TC-5214 2 – 8 mg in the Treatment of Major Depressive Disorder with Subjects who are Partial Responders or Non-Responders to Citalopram Therapy.
3. A one-year multinational, multi-centre, randomised, double-blind, parallel-group, fixed-dose, bifeprunox study combining a 12-week placebo-controlled, quetiapine-referenced phase with a 12-month quetiapine-controlled phase in patients with schizophrenia”
4. Protocol 31-09-266: A Long-Term Multicenter, Randomized, Double-blind, Placebo-controlled Study to Evaluate the Efficacy, Safety, and Tolerability of Aripiprazole (OPC-14597) as Maintenance Treatment in Adolescent Patients with Schizophrenia and Protocol 31-09-267: A Long-term, Multicenter, Open-Label Study to Evaluate the Safety and Tolerability of Flexible-Dose Oral Aripiprazole (OPC-14597) as Maintenance Treatment in Adolescent Patients with Schizophrenia or Child and Adolescent Patients with Bipolar I Disorder, Manic or Mixed Episode with or without Psychotic Features

Co-Investigator for:

1. Double blind, multicentric study in patients of schizophrenia. Sponsored by U.S. based multinational pharmaceutical company.
2. Double blind, placebo controlled multicentric study in patients of mania (bipolar I disorder). Sponsored by U.S. based multinational pharmaceutical company.

3. An open extension multicentric study in patients of schizophrenia. Sponsored by U.S.based multinational pharmaceutical company.
4. Double blind, placebo controlled multicentric (India specific) study in patients of mania (bipolar I disorder). Sponsored by U.S. based multinational pharmaceutical company.
5. An open extension multicentric study in patients of mania (bipolar I disorder). Sponsored by U.S. based multinational pharmaceutical company.
6. Double blind, three armed, placebo controlled multicentric study in patients of mania (bipolar I disorder). Sponsored by U.K.based multinational pharmaceutical company.
7. Double blind, multicentric study in patients of mania (bipolar I disorder). Sponsored by an Indian pharmaceutical company.
8. An open label, multicentric study in major depressive disorder sponsored by Denmark based Pharmaceutical company.
9. A double blind placebo controlled, multicentre study in patients of mania (bipolar I disorder) sponsored by U.K. based company.
10. An open labeled muticentric study in patients of Acute Schizophrenia sponsored by U.S. based company.
11. A double blind placebo controlled, multicentric study of acute schizophrenia sponsored by U.S.based Company.
12. An open label, multicentric study of acute schizophrenia sponsored by U.S. based company.
13. A multicentric pilot study in the patient of schizophrenia or schizoaffective disorder sponsored by U.S. based company.
14. A multicentric phase II, double blind study in the patient of Adolescent Schizophrenia sponsored by U.K. based company.
15. A multicentric phase III open label study in the patient of adolescent Schizophrenia sponsored by U.K. based company.
16. A multicentric Phase III study in the Rapid cyler sponsored by UK based company.
17. A multicentric double blind, placebo controlled parallel group study with an open label Extension Study in the patient with Schizophrenia sponsored by U.S. based company.
18. A double blind, placebo controlled study in the pattern of psychotic depression sponsored by U.S. Based company.
19. A Multicenter,Randomized,Parallel-group,Double- blind, Placebo-controlled .Phase III Study of the Efficacy and Safety of Quetiapine Fumarate and Lithium as Monotherapy for upto 104 weeks Maintenance Treatment of Bipolar I Disorder in Adult Patients. Sponsored by U.K. based company.
20. A multicentre double blind double dummy placebo controlled randomized response adaptive dose range study to evaluate the safety and efficacy of SB-773812 administered once daily for 12 weeks in adults with schizophrenia. Sponsored by U.K based company.
21. A Multicenter, Randomized, Double-Blind, Parallel Group, Placebo-Controlled, Phase III, Efficacy And Safety Study of 3 Fixed Dose Groups of TC-5214 (S-mecamylamine) as an Adjunct to an Antidepressant in Patients with Major Depressive Disorder Who Exhibit an Inadequate Response to Antidepressant Therapy

G.C.P. Training/Workshop:

1. Participated in a GCP workshop at New Delhi in November, 2000. Organized by U.S. based Pharmaceutical company.
2. Participated in a GCP workshop at Bangkok in January, 2004 .Organized by U.S. based Pharmaceutical company.
3. Other investigator meetings held for different drug trials from time to time.

(P.K. Dalal)
