King George's Medical University,
Lucknow-226003

Dated: 10/08/2017

Advertisement (01/17)

Applications on plain paper are invited for following purely temporary post (likely to continue for three years) in the Council of Science & Technology, UP, Lucknow, sponsored Research Project entitled "*Effect of miltefosine and AZD5363 (Akt pathway inhibitor) on Notch signaling pathway in human breast cancer cells: an approach to repurposing the drug*" under Principal Investigator, Dr. Ranjana Singh, Associate Professor.

Appointment will be made initially for the period of one year, extendable on yearly basis depending upon the performance of the candidate. The selected candidate cannot claim for regular appointment as the post is co-terminus with the project (all positions will cease to exist once the project is completed).

S. No.	Position	Stipend	Qualification and experience
1.	Senior Research Assistant (One)	Rs. 22,000/- per month	M.Sc., (Biotechnology/ Biochemistry) Candidate with at least two years experience in the field of Cell culture and Molecular biology

Applications along with attested copies of degrees, mark-sheets, experience certificate and testimonials shall be submitted in the office of the undersigned till 4 p.m. on 25th August, 2017.

Interviews will be held on 26/08/2017 at 12.30 p.m. in the Department of Biochemistry, King George's Medical University, Lucknow-226003. Candidates are directed to report for interview with all relevant documents in original. **No separate call letters shall be issued** and no T.A/ D.A. shall be paid for attending the interview.

(Prof. A.A. Mahdi)
