KGMU AIRWAY MANAGEMENT COURSE 2019

DEPARTMENT OF ANESTHESIOLOGY & CRITICAL CARE

Date: Saturday, 27th July 2019

Venue: Kalam Center KGMU
Dear Friends,
It gives us immense pleasure to invite you for one day KGMU AIRWAY MANAGEMENT COURSE 2019. As we are all aware that airway skills are one of the most important and valuable skills to acquire for the better management of patients during trauma resuscitation, emergency medicine, anesthesia management and critical care. The scientific session for the KGMU AIRWAY MANAGEMENT COURSE 2019 includes keynote lectures, Video session (How I do It?), Difficult Case Scenario and Hands on workshop.
Knowledge and skills gained during the course would be an asset to all the postgraduate trainees, clinicians, consultants and fellows involved in patient management with difficult airway. We are sure that this would be an academic extravaganza in the field of Difficult Airway Management.
We the Department of Anesthesiology and Critical Care, King George's Medical University, in association with KGMU Anesthesia and Critical Care Education Society (KGMU ACCES) would like to invite you for this one day workshop cum CME on difficult airway management.
We look forward for your active participation and would take this opportunity to welcome you to the lovely city of Lucknow.
