Lucknow

Subject: Workshop covering two topics "How to structure your manuscript?" and "Science communication - beyond publication and impact" - 7th March 2020

Sir/Madam,

Research Cell in collaboration with EDITAGE (CACTUS Research Excellence Partnerships) is going to organize a 4-hour workshop covering two topics "How to structure your manuscript?" and "Science communication - beyond publication and impact" on 7th March 2020 from 9:30 am onwards at Kalam Centre.

In the first session the trainer will share his/her industry experience about what are the do's and don'ts that needs to be considered while writing manuscript and make it publish ready. Second session will highlight the importance of going beyond merely publishing and promoting your research post-publication. Additionally, participants will learn more about creating an online profile, increasing research visibility and citations, and will learn about the importance of science communication and impact.

Kindly nominate three faculty members and three residents or more from your department. The workshop is compulsory for all PhD and post MD-PhD scholars. Kindly send the nominations latest by 4th March 2020. There will be no registration fee for the Workshop.

Thanking you,

(Raghuwar Dayal Singh)
Co-Faculty Incharge

Yours Sincerely

(R. K. Garg)
Faculty Incharge
