Subject: MD-Ph.D Programme at CSM Medical University U.P. (Formerly King George's
Medical University), Lucknow.

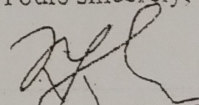

Madam,

Kindly refer to your letter No.439/R.Cell-12 dated 22.2.2012 regarding issuance of No
Objection Certificate to allow the CSMMU UP for providing the experience certificate to the
MD-Ph.D. students, at par with senior resident for the clinical work and teaching done along
with Ph.D course work. Since, the students are already M.D. and doing their Ph.D and getting
fellowship of senior resident's salary, therefore, ICMR has no objection to issue the NOC to the
students enrolled under MD-Ph.D Programme after certificate of work and conduct by their
respective Head of Department.

This issues with the approval of DG, ICMR.

With regards,

Yours sincerely,

(K. K. SINGH)

Maxillofacial Surgery,
U.P.K.G.U.D.S. |
| 13. | Sri S.D. Maurya, Finance Officer | In charge Registrar (Secretary) |

The Vice-Chancellor welcomed all the members.

- Item No.1. The Council confirmed the minutes of the meeting of Ex. Council held on 17th May 2005 with the following modifications :-

Annex

01/01/17-05-2005

- Item No. 7 The Council considered the application of Dr. Muneet Sharma for granting leave with full pay, as he will get only honorarium in B.P. Koirala, Institute of Health Sciences, Dharan, Nepal. Since the amount of honorarium offered was more than the pay he is getting in this University, the Executive Council approved to grant him leave without pay.
- Item No. 8 The Council rejected the proposal of extension of service of Sri Sidhnath Srivastava and Sri B.M. Sharma on fixed pay on contractual basis.
- Item No. 9 The Council approved the proposal of starting MD-PhD program [ICMR Scheme] at this University from this Academic Year. However this should be done in consultation with the MCI, ICMR and govt. of UP, not violating any of the existing norms of MD Course at this University. An equal opportunity should be given to all faculty members to Guide MD-PhD work. However the selection of Guides and candidates will be on merit through independent and transparent process. Since MD-PhD program has a strong research component this will be coordinated through Research Cell like ongoing PhD program.
- Item No. 10 The Council passed the Budget of this University for the Year 2005-06.
- Item No. 11 In any other item the Executive Council desired that a proposal for the establishment of independent department of Dermatology be prepared to be sent to the Government for approval.

Masters in Health Professions Education
Department of Medical Education
King George's Medical University, UP, Lucknow

I. Preamble: Education in medicine and allied subjects has seen a paradigm shift. There is increased focus on student-centric education, promotion of skills development and fostering scholarly activities in the academicians and educators. Hence, there is a need to initiate a course in Masters in Health Professions Education (MHPE) through the newly created department of Medical Education. Medical Council of India also promotes such activities

This part-time 2 years MHPE program is an ideal programme for those wishing to further their career in academic clinical or medical/dental/allied education, who already have experience of delivering education for healthcare professionals. It will particularly appeal to those seeking leadership positions or to undertake independent high-quality research in clinical education. Our students are clinicians/dentists, academicians, nurses, physiotherapists and the like possessing at least a graduate degree. They will be exposed to debates on issues and trends in higher education, learn the principles of teaching strategy, analyze professional health curricula and conceptualize the values and ethical systems of the health professional.

II. Goals: The goals of the Program are to:

- Provide the tools and guidance to enable faculty to advance their scholarly careers in medical/dental/allied education
- Deepen the scholarly commitment of KGMU faculty to the educational research areas:
 - Clinical teaching
 - Curriculum development outcomes
 - Teaching and curriculum in patient care
 - Innovating assessment approaches
 - Integration of basic and clinical sciences
 - Portfolios
 - Professionalism and ethics
 - Reflection

- III. Eligibility to be Course Instructors:** Advanced Course in medical education like FIME, MPHE, FAIMER, PhD (Medical Education)
- IV. Eligibility to enroll in program:** Teaching faculty of medical/dental/Nursing/allied sciences. Since this is in Campus Course, no leave will be required by KGMU faculty. Course is open for out campus faculty too.
- V. (a). Selection of candidates:** Maximum of 30 and minimum of 5 students. Admission will be based on the basis of Entrance Test conducted by Controller of Examination.
- V. (b).** The 15 seats (50% of total) will reserved for faculty from King George's Medical University, Lucknow. It will be allotted as follows:-
- i. 5-Assistant Professor
 - ii. 5-Associate Professor
 - iii. 5-Additional Professor/Professor
- V. (c).** If there are less applicants in any category faculty from other category can be taken.
- V. (d).** If total applications are >15 selection preference may be done as follows:-
- i. Longest duration of service in King George's Medical University, Lucknow
 - ii. Older in age
 - iii. Highest number of publications in indexed peer reviewed journals (Pubmed/Scopus).
- VI. Duration:** This will be a part-time, 4-semester course (6 months each). There will be 6 hours contact sessions each month (total 24 hours/semester) and at least twice the number of hours of self-directed learning.
- VII. Course type:** Part time, onsite course. Dissertation under a course guide will be done from the 1st semester. Each candidate will have to participate in national one conference/Workshop/Seminar on Health Professions Education and conduct one such in KGMU with the assistance of other colleagues.
- VIII. Attendance:** 75% of classes and 100% of the course activities including internal assessments.
