Re: Dr Anand Kumar Mishra

To Whom It May Concern:

I am writing to inform you that Dr. Anand Mishra spent one week in the Department of Surgery at Mayo Clinic in Rochester, Minnesota, from October 11 to October 17, 2015, following the American College of Surgeons Clinical Congress.

Dr. Mishra spent considerable time with us in the operating room and clinic, and was obviously very interested in the workings of the Mayo Clinic. While here, he gave a presentation at our Monday evening conference entitled "Surgery for Large Goiters," which was well received by all in attendance. We thoroughly enjoyed having him with us.

Please feel free to contact me if you have any additional questions.

Sincerely,

A handwritten signature in black ink that reads "Geoffrey B. Thompson, M.D." in a cursive style.
