Dear Dr. Chandra,

The American College of Surgeons' Board of Regents has **approved** your application for Fellowship. Welcome to ACS Fellowship and congratulations on achieving this monumental milestone!

You are currently an **Initiate** and will become a **Fellow** of the American College of Surgeons during the virtual Convocation Ceremony on Sunday, October 4, 2020. Details about the virtual Convocation Ceremony will be sent in the coming weeks, along with information regarding the session's login and Initiate involvement.

A virtual Convocation and Clinical Congress will ensure broad participation for all those who want to attend, especially individuals whose institutions have travel bans in place throughout the fall. Shifting to a virtual event was not an easy decision for the College to make, however your health, safety, and welfare are of the utmost importance to us.

Your attendance at Convocation is encouraged but is not mandatory. Fellowship will be conferred in absentia on all Initiates who are unable to attend the Ceremony.

Note:

You **may not use** the FACS designation until after the Convocation Ceremony on October 4.

2020 Clinical Congress:

As an exclusively virtual event, the 2020 Clinical Congress will be held on the originally planned dates, October 4-8. Registration information will be sent separately.

Initiate Resources:

Please visit the Initiate webpage (embedded link) for additional information and updates regarding the Convocation Ceremony, as well as answers for other questions you may have.

Congratulations and Welcome:

On behalf of the ACS leadership and 83,000 members of ACS, we welcome you to Fellowship and hope you are able to join your Initiate class at the 2020 virtual Convocation. Congratulations and best wishes for continued success.

Sincerely,

Patricia L. Turner, MD FACS
Director, Division of Member Services

Frequently Asked Questions:

May I attend the 2021 Convocation Ceremony as an Initiate if it is held in person in Washington, DC?

A final decision has not been made, more details will be forthcoming.

Initiates receive free registration for Clinical Congress. Will Initiates receive free registration for the virtual Clinical Congress or for the 2021 Clinical Congress?

Initiates will receive free registration for the virtual 2020 Clinical Congress. A final decision on registration has not been made for the 2021 Clinical Congress, more details will be forthcoming.

If an Initiate does not participate in the virtual Convocation Ceremony, will the Initiate still become a Fellow?

If you do not attend the virtual ceremony, your Fellowship will be awarded in absentia.

I want to purchase the Convocation Robe...how may I purchase?
