MESSAGE

It gives me immense pleasure to present the Annual Report of King George's Medical University, UP, Lucknow for the year 2017, which is going to be released on the auspicious occasion of 13th Convocation of the University.

On this occasion, it is my proud privilege to note that our institution has been adjudged 5th best for MBBS and 6th Best for BDS courses nationally. The University has been given 'A' grade by the National Accreditation and Assessment Council. KGMU is one of the 32 institutions of the Country shortlisted to apply for financial support to become "Institute of Eminence" by HRD ministry.

Besides giving high quality patient care, conducting cutting edge research and competency based medical education we extend full support to national and state public health programs and give diagnostics and therapeutic support in times of crisis due to H1N1 influenza, dengue, encephalitis and other calamities. We have established yellow fever vaccination centre. State of the art surgical and interventional procedures have been done by our faculty.

Our journey towards excellence continues with commitment from each and every employee and student of KGMU. I pledge my services for cause of nation and Institution.

Jai Hind

(Prof. M.L.B. Bhatt)
Vice Chancellor
I am indeed grateful to the University for giving me once again the responsibility and opportunity of compiling the annual report for the year 2017 on the occasion of the 13th Convocation. The report showcases achievements of each department and division/unit/sections, the sum of which is our University’s contribution to medical education, research and society. As we browse through this report one feels proud to be a Georgian. It builds a sense of solidarity and brotherhood with each and every one who are treading the same path.

First and foremost, I express my heartfelt gratitude to Prof. M.L.B. Bhatt, our dynamic Vice Chancellor, who not only supported and guided me in this task but as a first asked me to write this note. He stands tall and unique in his magnanimity for acknowledging contributions, however small they may be. I would like to thank the Registrar, Finance Officer, Deans, Chief Medical Superintendent, Controller of Examination, Heads of all departments/sections and each one of you who sent their reports within such a short time and made compilation possible. I have been ably assisted by Mr Anand Mohan Singh, Mr Nikhil Saxena and Mr. Shahnawaz.

Annual Report

Our university acknowledges with gratitude the blessings of Hon’ble Sri Ram Naik, the Governor of Uttar Pradesh and Hon'ble Chancellor of KGMU, UP. Sir, I welcome you to this convocation and look forward to your continued guidance.

On behalf of University and on my own behalf, I extend a very warm welcome to Padma Bhushan Dr. B. M. Hegde an alumnus of this institute and former Vice Chancellor, Manipal University for being with us on the convocation day. The University is indeed honoured and privileged to have you amidst all of us committed faculty, impressionable and bright students and dedicated staff members.

I extend a very warm welcome to Prof. G. K. Rath and Prof. Sudhir Gupta. They will be conferred with D.Sc. (Honoris Causa) on this occasion.

The university gratefully acknowledges support of Government of Uttar Pradesh under able guidance of young and dynamic Chief Minister Sri Yogi Adityanath ji. Under the dynamic leadership of Hon’ble Chief Minister, we have a visionary, who has taken definitive steps to advance the cause of health care and Medical Education. He is equally committed for the welfare of students, faculty and staff of not only this University but for the entire state of Uttar Pradesh.

The KGMU, built in 1905, has acquired national & global eminence for contributions in academics, research, and patient care. The first batch of MBBS students entered the portals of the erstwhile King George’s Medical College in October 1911 and 31 passed out in 1916. Since then, KGMC has produced over 20,000 alumni who are serving in India and all over the world. The College was made in to the University in 2002 by a special Act of the Govt., of UP. It is now the largest residential University in India with 48 buildings and 80 teaching departments in 4 faculties (Medical, Dental, Paramedical & Nursing), 250 MBBS, 100 BDS seats, there are 100 B.Sc (Nursing) seats, 50 M.Sc. (Nursing) seats, 5 seats in B.Sc. (Radiotherapy Technology) and 440 seats in paramedical courses with postgraduate courses in MD (169 seats in 17 departments), MS (34 seats in 04 departments), Diploma (27 seats in 04 departments), Diploma (PMHS) 50 seats, MDS (27 seats in 07 departments), DM (17 seats in 04 departments), M.Ch. (25 seats in 08 departments), M.Phil (4 seats in Clinical Psychology) and Ph.D. (in various departments). The University campus is spread over an area of 7 sq, Kms. There are almost 556 faculty, 750 resident doctors, plus 3500 medical and dental students and 5000
employees. The Gandhi Memorial and associated hospital has over 4400 functional beds with over 4000 patients admitted at any given time, with on an average 8000-10000 new patients attending the OPD daily.

This function is organized to celebrate academic success and achievements of the graduates of this year. This is also organized to build your solidarity with your Aalma Mater with the hope that this institution and its prestigious Alumni will motivate you to achieve excellence in your career with grounded ethical principles. Wherever you go, you will take the label of "Georgian". Make your Alma-Mater proud. I am confident you will live up to it. The best and most formative years of your life and career have been spent in the portals of KGMU. The teachers here have painstakingly facilitated your process of learning. You have been taught to be a lifelong learner. I congratulate you on your success.

National Assessment and Accreditation Council (NAAC) has given KGMU ‘A’ grade certification. This certification will remain valid from May 2017 to May 2022.

Ministry of Human Resource Development, Government of India has shortlisted KGMU among the probable list of ‘Institute of Eminence’. KGMU Institute of Skills

- **Director** – Prof. Vinod Jain (Officiating)
- **Incharge HPS Lab** – Prof. Monika Kohli
- **ITC Director** – Prof. Rajni Gupta, Department of Anaesthesia

With vision to have safe and skilled Doctor, Nurses and Paramedical personal King George’s Medical University has developed state of art Institute of skills in its campus having facilities to conduct ATLS (Advance Trauma Life Support) ATCN (Advance Trauma Care for Nurses), ALSO (Advance Life Support in obstetrics), ACLS (Advance Cardiac Life Support), PALS (Pediatric Advance Life Support), HPS (Human Patient Simulation), BLS (Basic Life Support) and other skill courses. Skill institute has dedicated instructions and required manikins to run above courses. Till date about 10000 sq. feet area of skill institute has been furnished and rest (approximately 15000 sq. ft.) is being fast developed by UPRNN thus making total area of about 25000 sq. ft. This skill institute is first and only of its kind in Government sector of India. It’s matter of great pride that for ATLS provider course at KGMU this year participation is not only from various states of India but also from abroad like Australia, United Kingdom, Afghanistan and Nepal. This itself proves quality and integrity of this course.

In last one year we have organized 6 ATLS workshops; 2 ATCN workshops; 5 ACLS workshops; 1 ALSO workshop; 2 PALS workshops; Ongoing HPS workshop; 12 BLS workshops; 1 Venous Access Workshop; 1 Simulation Workshop and 1 Trauma Training workshop.

More and more skill courses will be added next year for hard skills, procedural skills and soft skills. Demand for Advanced manikins, simulators and posts has been sent to U.P. Government for sanction. We are hopeful for positive response soon.

This skill institute is committed not only to train medical, dental, nursing and paramedical students of King George’s medical University, U.P., Lucknow but also same for other medical colleges of U.P. and across India as well as to staff of other hospital with basic motto – “Skill Saves Life.”
