

NEWS LETTER 2023

Department of Obstetrics and Gynaecology, King George's Medical University

Dear friends

Welcome to the Department of Obstetrics and Gynecology's newsletter, as we celebrate our 91st Foundation Day! With immense pride and gratitude, we commemorate the establishment of our department and the incredible journey we have embarked upon in providing exceptional healthcare to women.

- Herein we reflect on our achievements in last year and highlight the remarkable contributions made by dedicated team of the department.
- Together, we strive to provide best healthcare and empower every woman who walks through our doors.

New Facilities Added to Department

- **Obstetric ICU and HDU** running smoothly with central monitors and now with total 7 ventilators including 1 portable ventilator
- A new **LASER machine** has been installed in Gynae OT.
- **IVF facility** restarted after COVID pandemic.
- **New Minor OT** became functional in February 2023
- **Skill lab** renovated and running smoothly.
- **Hereditary cancer care** clinic started.
