CIRCULAR

Women empowerment, women education and social outreach activities are conducted regularly in the University by various departments, faculty, student or employees. Such activities are reported on social media and newspapers but have never been showcased at the University level. **Mahila Addhyan Kendra** has been established in the University under the directives of Honourable Governor Smt. Anandiben Patel and is going to organise **Women's week** from 7th -12th March 2022.

All departments are requested to submit the activities conducted in their department during the last one year aligning with the Women upliftment; be it individually or in collaboration latest by **28th February 2022**. The selected entries would be presenting their work in the form of a poster in the Women's Day Poster Gallery to be inaugurated by Governor, Uttar Pradesh.

Together, let's present a collective voice of conscientious KGMU, aware and responsible towards women empowerment and upliftment; reaching out, holding hands and doing their bit in creating a healthy and strong community.
