

Minutes of the meeting

Date: 27th October 2017

Agenda: NIRF reparation

Attended by: IQAC members

- In the meeting, NAAC committee Member Secretary, Prof. Divya Mehrotra, presented an overview of previous NIRF rankings achieved by the University.
- Previous years ranks and scores were reviewed by all members
- A dedicated committee was given the responsibility of working out the data collection for forthcoming NIRF application under the guidance of Dean, Medicine, Prof. Vinita Das.
- Ways were suggested for systematic data collection this time so that all aspects of the form are filled up in true numbers with the target to improve ranking
- Suggestions given included- co-ordination of all offices concerned with required data, dedicated office personnel allotted for the same and repeated reminders to faculty for the importance of the same.
