## MINUTES OF MEETING

22/01/2020

A meeting with all quality managers was organised on 22 January 2020, to discuss the current plans and invite suggestions for future plans of IQAC, King George's Medical University. The plans and proposals made by IQAC in last year were reviewed, and it was observed that most of the plans were well implemented.

For the current year, following suggestions were recommended by the members:

- Training of employees in their routine work in University like implementation of BPL scheme- the patient and employees perspective both to be included; training on some advanced computer skills, training of expected workflow wherever they are posted.
- Meeting with students to discuss their problems, invite their suggestions to improve teaching learning
- To have some dedicated sports/fitness facility for faculty and employees
- To include representatives from Nursing and Paramedical as quality managers in IQAC
- To organise faculty development programs regularly
- To organize training programs for students
- Dedicated yoga programme for faculty (3-4 PM) and employees (9-10 AM) considering the working schedule in university
- Organising 'Hostel day' for undergraduate and postgraduate student
- To have a faculty get together

With the above suggestions, dates for the following events were suggested:

- Meeting with Students 1<sup>st</sup> Feb
- Mentor mentee Forum: 1<sup>st</sup> workshop for PG Students 6<sup>th</sup> Feb
- Employees training 15<sup>th</sup> Feb: Dr Balendra P Singh & Dr Nitin Bhardwaj
