Minutes of meeting: Steps to build effective collaboration

Date: 30-03-2022

Time: 12:00 PM

Mode: Online (Google Meet)

Link: <https://meet.google.com/isj-xdvt-djb>

Agenda: Steps to build effective collaboration: strengthening the collaboration policy of KGMU

The following members of MoU Cell, KGMU and International Collaborative Cell, KGMU shared their views regarding current MOU and Collaborative policy of KGMU.

1. Dr R.K. Garg, Incharge MoU Cell, Prof. & Head, Neurology
2. Dr Saumyendra Vikram Singh, Co-Incharge Collaboration Cell, Professor, Prosthodontics
3. Dr Siddharth Agarwal, Co-Incharge MoU Cell, Additional Professor, Ophthalmology

The concern that most of the MoUs are not active, and lack of details regarding what student exchange took place and how many students took part in the exchange were raised.

Discussion was done on how to develop a policy for selection of students for the exchange programs offered by other national & international universities, and also regarding the financial aspects of travel and stay of the students.

It was suggested that few students per batch, based on merit, or based on some research topic they come up, might be selected for the exchange.

It was decided that a meeting with Dean student welfare would also be organized to take the feedback of the students regarding the same.

Also, it was suggested that as International Collaborative Cell, and MoU cell have lot of overlapping responsibilities, they should be merged into one cell, and be given an office and support staff for the same.

Anita
