| 2.    | CMS trauma, Prof. Sandeep Tiwari emphasized on following problems/solutions:  
- Proper net connectivity for IPD at all counters and data entry points.  
- Upgradation of old desktops.  
- To designate persons for entering online prescriptions  
- Frequent logging off of e hospital to be solved  
- Difficulty in Holding/Receiving area in doing online prescription  
Hon Vice Chancellor suggested for  
- survey of Trauma computers for further planning of upgradation/formatting etc.  
- preformed templates to be used in prescribing online medicines in IPD  
- a delayed entry of online prescriptions by Residents in the day if load of patients in Trauma is high | IT Cell to survey desktops of Trauma centre and upgrade/format as needed.  
CMS Trauma to further reinforce online IPD prescription through suggestions given |
