1.	***Consideration of the judgment and order dated 29.07.2026 passed by the Hon'ble High Court of Judicature at Allahabad, Lucknow Bench, in Writ Petition No. 7081 of 2026, Anamika vs. State of Uttar Pradesh and Others, concerning appointment on compassionate grounds under the Dying-in-Harness Rules consequent upon the death of Late Shri Prem Kumar, an employee of King George's Medical University (KGMU), Lucknow.*** Executive Council was informed that Km. Anamika daughter of Late Shri Prem Kumar, Sick Attendant, Psychiatry Department, applied for appointment under the Dying- in- Harness Rules following the death of her father. During scrutiny of her educational certificates by the duly constituted Selection Committee, her Intermediate marksheet was found to be forged upon verification. The matter was placed before the Hon'ble Executive Council in its meeting held on 01.04.2026, wherein it was decided not to appoint the applicant on account of submission of a forged educational certificate. Accordingly, her application was rejected vide office order No.844/Recruitment Cell/26 dated 25.04.2026.	The Executive Council deliberated on the matter and observed that the applicant had allegedly sought appointment by submitting a forged Intermediate (Class XII) certificate, thereby raising serious concerns regarding her integrity. The Executive Council further observed that King George's Medical University, being an institution entrusted with teaching, training, research, and patient care services, must exercise due diligence while making appointments, particularly with regard to the integrity and antecedents of candidates. It was observed that this aspect was not duly considered by the Hon'ble High Court while passing order dated 29.07.2026. After due deliberations, the Executive Council resolved to seek a legal opinion regarding the feasibility of filing a Special Appeal before a larger Bench of the Hon'ble High Court against the judgment dated 29.07.2026.

Having been aggrieved by the aforesaid order, Km. Anamika filed Writ Petition No. A-7081 of 2026 before the Hon'ble High Court, Lucknow Bench. Hon'ble High Court vide judgement dated 29.07.2026 quashed the impugned order dated 25.04.2026 and directed the University to consider the applicant's case solely on the basis of her High School Certificate, keeping in view that the minimum educational qualification prescribed for the post is Class 10th pass.

The Hon'ble High Court further directed that the exercise be completed in accordance with law within three months from the date of the judgement, which will be completed on 28.10.2026. The operative part of the judgement dated 29.07.2026 is as under:

"Considering the submissions made at the Bar, once the requirement for appointment is Class 10th, denial of appointment solely on the ground that Class 12th certificate is forged is wholly arbitrary. The respondents were required to consider the case of the petitioner solely on Class 10th certificate which has not been done. Thus, impugned order dated 25.04.2026 is quashed.

Respondents are directed to process the application of the petitioner a fresh by solely considering his Class 10th certificate.

The said exercise shall be done within a period of three months from the date of order in accordance with law."

Executive Council was requested to deliberate on the matter and keeping in view order of the

2	***Deliberation and decision on the Enquiry Report concerning Prof. Sanjiv Kumar Gupta, Department of Ophthalmology, KGMU, Lucknow*** The Executive Council was informed that a news report published in the Hindustan daily newspaper on 6 April 2026 alleged that patients covered under cashless healthcare schemes were being denied cashless treatment in the Department of Ophthalmology. It was further alleged that patients were being referred to outside medical stores to purchase medicines at inflated prices, despite the same medicines and consumables being available at the HRF outlet within the department. On 6 April 2026, the Hon'ble Vice-Chancellor constituted an Inquiry Committee to investigate the matter and submit its report. Meanwhile, two complaints were submitted by Mr. Anupam Singh through the IGRS portal on 10 April and 14 April 2026. These complaints were also referred to the Committee for consideration. Subsequently, two additional complaints concerning the same matter were received by the Grievance Cell and placed before the Hon'ble Vice-Chancellor on 28 April and 5 May 2026, respectively. These

complaints were also referred to the Committee for inquiry.

The Inquiry Committee submitted its report on 4 June 2026. Upon consideration of the findings and conclusions recorded in the report, the Hon'ble Vice-Chancellor ordered the suspension of Prof. Sanjiv Kumar Gupta on 4 June 2026, in exercise of the powers vested under the KGMU Act and Clause 11.06 of the Statutes of the University.

The Executive Council was requested to deliberate on the matter and take a decision on the following:

A. To ratify the action taken by the Hon'ble Vice-Chancellor under the provisions of the KGMU Act and Clause 11.06 of the Statutes of the University.

B. To consider the inquiry report and the findings recorded against Prof. Sanjiv Kumar Gupta, Prof. Apjit Kaur, HOD, Prof. Sandeep Saxena, Nodal Officer for Procurement of consumables in the O.T. and Ms. Chetna, OT Incharge of Ophthalmology and the other consultants who were found to be prima facie involved in the matter.

Deliberations-

i. Prof. K.K. Singh, Chairperson Inquiry Committee, informed the EC that the inquiry report had been submitted on 04.06.2026.

ii. He briefed the Council on the findings of multiple complaints concerning patients Sahib Singh and Geeta Kashyap.

iii. In the first complaint, it was alleged that regarding Patient Sahib Singh ₹9,800 had been paid to Mr. Abbas for intraocular gas insufflation, which was not performed.

iv. The patient was also referred to Gomti Medical Store for purchasing consumables worth approximately ₹60,000, although most were available at subsidized rates at the HRF store.

v. The 2nd complaint, was regarding an Ayushman beneficiary, Geeta Kashyap, it was alleged that cashless cataract surgery was denied, and the patient was directed by Mr. Abbas, who himself prescribed the list of consumables & directed the patient to Gomti Medicals to purchase medicines and lenses worth approximately ₹15,000.

vi. The complainant alleged that he requested for cashless treatment under the Ayushman Scheme. However, this was denied and Dr. Sanjiv Gupta told him that cashless patients are not entertained and he would treat the patients only if they purchase the consumables on cash basis.

vii. Dr. K.K. Singh informed the house that all the principles of natural justice were

duly followed, and all concerned were given an opportunity to present their defense.

viii. Dr. K.K. Singh read out the findings of the committee of all those who were found guilty-

A. Prof. Sanjiv Kumar Gupta-

- Mr. Abbas had been illegally working with him for several years.
- The medicine lists were prepared by Mr. Abbas with his knowledge and under his supervision.
- Mr. Abbas remained present in the Department in connection with the work of Dr. Sanjiv Gupta and Mr. Abbas referred patients to private shop to purchase medicines at inflated rates.
- The Committee therefore observed that Prof. Sanjiv Kumar Gupta was responsible for permitting and facilitating the functioning of an unauthorized private individual within a clinical department of the University, who acted illegally and his illegal actions resulted in embezzlement of money from patients and caused financial loss to patients.
- Not treating cashless/Ayushman Bharat Beneficiaries.
- Acceptance of money for Intraocular gas and Non-Performance of the Procedure.
- Prof. K.K. Singh also informed the house that these were not the isolated instances. In the inquiry more than 10 patients had confirmed the same modus opurendi and all were

referred to Gomti Medicals to purchase consumables at inflates rates, the committee observed that many of the consumables were available in the HRF.

B. Findings regarding Prof. Apjit Kaur, HOD

- Prof. S.K. Bhaskar submitted that during an earlier visit on 29th Sept 2020 to the Department, the then Hon'ble Vice-Chancellor and Registrar had specifically directed that Mr. Abbas should not be permitted to enter or function within the Department since he was not an employee of the University.
- The evidence on record indicates that the continued presence and activities of Mr. Abbas in the Department were well within the knowledge of Prof. Apjit Kaur. However, no effective steps were taken by her to prevent his unauthorized entry or to stop his involvement in patient-related and other departmental activities.
- That a SOP was issued by the office of the Hon'ble VC, which prescribed the procedure to be followed when medicines or lenses were not available in the HRF. Under the said SOP, HOD was directed to put the system in place for the execution of the SOP and was also advised that she could depute a Nodal Office to assist her.
- **Therefore, the Committee observed that there was a failure of administrative supervision, control on the part of the**

HOD with regard to the proper execution and compliance of the above mentioned SOP within the Department.

C. Ms. Chetna, O.T. Incharge

- A SOP was issued by the office of the Hon'ble VC, which clearly prescribed the procedure to be followed when medicines or lenses were not available in the Hospital Revolving Fund (HRF).
- The SOP specifically provided that whenever any medicine or lens was unavailable in the HRF, the Sister In-Charge of the Operation Theatre (OT) was required to prepare a list of such items and forward the same to the Nodal Officer. Thereafter, Professor Saxena was to assess the necessity of the items, and only upon his recommendation could the medicines or lenses be procured from outside medical stores.
- However, it has been observed that from the date of issuance of the SOP and upto date, although a large number of patients procured medicines from outside sources, Ms. Chetna not only permitted the utilization of such medicines in the OT but also failed to forward the requisite list to Professor Sandeep Saxena as mandated under the SOP.
- It is, therefore, felt that she failed to discharge her assigned responsibilities in accordance with the prescribed procedure. Amounting to willful neglect of her duties.

S. Nityanand.

D. Dr. Sandeep Saxena, Professor

- Prof. Sandeep Saxena was nominated Nodal Officer by the HOD to assist her for the implementation of the SOP.
- The Committee observed that Ms. Chetna failed to forward the requisite list of consumables to Professor Sandeep Saxena as mandated under the SOP.
- So, Prof. Sandeep Saxena had no opportunity on any occasion to examine the necessity of the items or make any recommendations thereon. Accordingly, no lapse or fault can be attributed to Professor Sandeep Saxena in this matter.
- The Executive Council did not agreed with the above mentioned findings of the committee and decided that Prof.. Sandeep Saxena was the Senior most professor after the HOD, and was deputed to ensure the supervision of the above mentioned SOP. However, he took no steps or efforts for the compliance of the SOP, even his own team was not following the SOP.
- So, the Executive Council found enough material against Prof. Sandeep Saxena for the constitution of the Disciplinary Action Committee.

E. Mr.Abbas

Since, he is not an employee of the KGMU sohis matter was referred to competent Police Authority.

After detailed deliberations the Executive Council resolved that

1. **Ratified the action** taken by the Vice Chancellor on 04.06.2026, by which she had suspended Prof. Sanjiv Gupta in exercise of her powers as provided under the provision 11.06 of the statues.
2. Executive Council **directed the constitution of Disciplinary Action Committee against-**
   a. Prof Sanjiv Kumar Gupta
   b. Prof. Apjit Kaur
   c. Prof. Sandeep Saxena
   d. Ms. Chetna
3. The Executive Council **authorized the Vice Chancellor** to constitute the Disciplinary Action Committee.
4. The Executive Council directed that the Disciplinary Action Committee shall prepare the

3.	***Directions issued by Hon'ble Chancellor vide order dated 15.10.2026*** It was informed that **E**xecutive Council in its meeting held on 26.09.2026 decided as under: "After detailed deliberation, the Executive Council accorded its approval and authorized the Vice Chancellor to exercise the power vested in her under Section 17(b) of the KGMU Act, 2002 by designating any other officer of the University to undertake and complete the aforesaid recruitment process for the non-teaching posts after approval of the Hon'ble Chancellor.
