

## PRESS RELEASE

# Mission to Save Billion

Inauguration of KGMU, International Training Center (ITC) for AHA certified BLS & ACLS Work-Shop on 1st October, 2016 & 2<sup>nd</sup> October, 2016.

**Despite so many advance technique for prevention of Cardiac-arrest. It is remain a public health problem and a leading cause of death.**

Our Hon'ble Vice Chancellor Prof. Ravi Kant, will inaugurate King George's Medical University, International Training Center (ITC) on dated 1<sup>st</sup> October, 2016 at 09:00am in Kalam Centre under this ITS we will regularly organize AHA certified BLS & ACLS Work-Shop for internal as well as external participants. During this workshop the training of AHA certified BLS and ACLS will be given to the participants & we will also start for awareness of public lectures.

Basic Life Support (BLS) and Advance Cardiac Life Support (ACLS) will provide a knowledge and skill to the participants and health care provider. This knowledge will help to save a life by recognizing emergencies such as sudden cardiac-arrest and to know how to respond immediately.

They will also learn use of automated external defibrillator (A.E.D.) and how to relieve foreign body airway obstruction. The student will also learn management of various arrhythmia, stroke and acute coronary syndrome.
