DR AKSHAY ANAND

PUBLICATIONS

1. Papillary Thyroid Cancer and Hashimoto's Thyroiditis: An association less understood. (Review Article) Akshay Anand Agarwal, Kul Ranjan Singh, Abhinav Arun Sonkar, Jitendra Kumar Kushwaha, Nuzhat Hussain. **Indian Journal of Surgical Oncology 2014**. Indian J Surg Oncol (2014) 5:199-204.

2. Left-sided transmesocolic herniation of small bowel in an otherwise unaffected abdomen. Akshay Anand Agarwal, Abhinav Arun Sonkar, Kul Ranjan Singh, Anurag Rai. **BMJ Case Rep 2015** doi:10.1136/bcr-2014-207499

3. Penile strangulation due to plastic bottleneck: a surgical emergency. Akshay Anand Agarwal, Kul Ranjan Singh, Jitendra Kumar Kushwaha, Abhinav Arun Sonkar. **BMJ Case Rep 2014**. doi:10.1136/bcr-2014-207338.

4. Solid pseudopapillary tumour of pancreas. Ashish Singh, Akshay Anand Agarwal, Abhinav Arun Sonkar, Jitendra Kumar Kushwaha. **BMJ Case reports 2014**.

5. Gestational Hypertrophy of breast. Akshay A. Agarwal, Abhinav Arun Sonkar, Jitendra Kushwaha, Suyash Singh. **BMJ Case reports 2013.**

6. Spontaneous Splenic Rupture in malaria presenting as hemoperitoneum: Co-infection of Plasmodium vivax and falciparum**.** Akshay Anand Agarwal, Abhinav Arun Sonkar, Jitendra Kushwaha, Kushagra Gaurav. **BMJ Case reports 2013.**

7. Day Case Thyroid and Parathyroid Surgery: Time to Replicate Same in Developing Countries. J L Miller, A A Agarwal, K R Singh, A A Sonkar, J K Kushwaha, A Shrivastav. **World journal of surgery. 01/2015.**

8. Hiroki Takahashi et al. “Usefulness of endoscopic breast-conserving surgery for breast cancer” Surgery Today in November (2014) 44: 2037–2044. Saurabh Singh, Akshay Anand Agarwal, Kul Ranjan Singh, Abhinav Arun Sonkar, Jitendra Kumar Kushwaha, Abhishek Singh. **Surgery Today DOI 10.1007/s00595-014-1098-7.**

9. Prevalence of derangement of coagulation profile in surgical patients and its outcome: a study from a tertiary trauma care facility in Northern India. Iftikar, Akshay Anand, Abhinav Arun Sonkar, Jitendra Kushwaha. **International Journal of Critical Illness and Injury Science 2015.**

BOOK CHAPTERS

1. Phylloides Tumor of breast: Still a challenge.
   Abhinav Arun Sonkar, Akshay Anand Agarwal, Kul Ranjan Singh, Saumya Singh, Jitendra K Kushwaha,
   Recent advances of Surgery 37th Ed 2015 Editor: Irving Taylor, Jaypee Publishers.

2. Non Traumatic Splenic Rupture: An Enigma in Emergency.
   Jitendra Kumar Kushwaha, Abhinav Arun Sonkar, Akshay Anand, Suyash Singh.
   Rare Diseases, Diagnoses, Challenges and Developing treatments, Nova Science Publishers New York 2014.

3. Hydatid Liver Cyst.
   Jitendra Kumar Kushwaha, Abhinav Arun Sonkar, Kulranjan Singh, Akshay Anand, Rajni Gupta.
   General and Abdominal Surgery: Practices, Potential Complications and Postoperative Management and Outcomes. Nova Science Publishers New York 2014.

4. Current Approach to impalpable undescended testes and role of laparoscopy in management.
   HS Pahwa, Awanish Kumar, Akshay Anand Agarwal, Rohit Srivastava.
   CME book of First Annual Conference of UP-Uttarakhand Chapter of Indian Association of Pediatrics Surgeons 2013.

ABSTRACTS

1. Androgen receptor in breast cancer with special reference to triple negative breast cancer and anterior chemotherapy. Akshay Anand Agarwal, Abhinav A. Sonkar, J.K. Kushwaha, N. Hussain, K. Gaurav, R. Gupta, A. Singh and Y. Dheer. **Annals of Oncology (2013) 24 (suppl 3): iii23-iii24**.

2. Role of low dose capecitabine in inoperable cancer gallbladder in presence of jaundice: a pilot study from endemic world. A Sonkar, J Kushwaha, M Kumar, A Chandra, R Gupta, D Singh, A Kumar, A A Agarwal. **Annals of Oncology 24 (suppl 4), iv74-iv74.**

3. Clinicopathological profile of gallbladder cancer from the endemic area of India with special reference to disease occurring in younger age. A Agarwal, A Sonkar, J Kushwaha, K Gaurav, R Gupta. **Annals of Oncology 24 (suppl 4), iv79-iv79**

4. Expression of androgen receptor in locally advanced breast cancer with special relation to various molecular phenotypes, clinicopathological factors and response to anterior chemotherapy in Indian women. Akshay Anand, Abhinav Arun Sonkar, Jitendra kumar Kushwaha, Nuzhat Hussain. **The Breast 2013 Vol 22 Supplement 3 November (2013) S19–S63.**

5. Palliation of jaundice by transcutaneous external catheter drainage in inoperable cancer gallbladder: an experience from endemic area of developing world. Abhinav Sonkar, Akshay Agarwal, Manoj kumar, Jitendra Kushwaha, Ravi Gupta. **Ann oncol (2012) 23 (suppl4): iv31-iv118.**

6. Breast cancer in young women - scenario of sub optimal surgery from a developing world. Akshay Anand Agarwal, Abhinav Arun Sonkar, Jitendra K. Kushwaha, Avanish Kumar, Nuzhat Hussain. **The Breast 2012 Volume 21, Supplement 1 (2012) Impact factor 2.491**

RESEARCH

Study of Androgen Receptor status in breast cancer in Indian female population with reference to young Indian females and the response of various subtypes to standard taxane/anthracycline based chemotherapy regime.
