Impact Analysis 2023–2024

| Plan of Action | Achievements / Outcomes |
|--|---|
| Implementation of Government Health Schemes | Provided care to the highest number of Ayushman Bharat beneficiaries in the country; Honored with a national award for exemplary service delivery. |
| Affordable and Inclusive Patient Care | Reduced diagnostic investigation charges by up to 10%, ensuring accessible healthcare for economically disadvantaged patients. |
| Digital Health Services Expansion | Delivered over 3 lakh teleconsultations through the eSanjeevani platform; Awarded the 'Flag Bearer Award' by the Hon'ble Prime Minister of India. |
| Infrastructure Development and Facility Augmentation | Initiated construction of an Orthopaedic Super Specialty Centre; Established a new MCH (Maternal and Child Health) Wing with integrated Blood Bank and Pathology labs in QMH; Developed faculty housing on Hardoi Road; Launched Pediatric Orthopaedic Trauma services. |
| Enhanced Patient Transport System | Acquired 5 Advanced Life Support (ALS), 10 Basic Life Support (BLS) ambulances, and Hearse vans to strengthen emergency and post-mortem transport services. |
| Academic and Clinical Department Expansion | Introduced new departments in Medical Oncology, Thoracic Surgery, and Vascular Surgery to broaden specialty care. |
| Faculty Recruitment and Strengthening Human Resources | Appointed new faculty members on an ad-hoc basis through DGME, Government of Uttar Pradesh. |
| Research and Innovation Promotion | Seven faculty members listed in Stanford/Elsevier's Top 2% Global Scientists (2021); Established Cochrane India Centre; Launched Foundation Lectures and signed MoUs on patent initiatives with engineering colleges; SIB-SHInE center under development. |
