LUCKNOW UTTAR PRADESH INDIA

## Courses having focus on competency/ employability/ entrepreneurship/ skill-development (454)

There are a total of 454 courses. Although their objectives often overlap—making strict distinctions between competency, entrepreneurship, and skill development challenging—we've color-coded those that place a special emphasis on entrepreneurship, specific skills, or core competencies for easy identification.

- Employability (Grey):** All courses help improve employability.
- Competency (Blue):** These courses provide essential knowledge in medical sciences, forming the backbone of medical education.
- Entrepreneurship (Green):** These courses are tailored for those interested in innovative aspects of healthcare.
- Skill Development (Orange):** These courses focus on practical skills essential for clinical practice.
