Electives for Post Graduates :SOP

1. **Purpose:** To introduce electives for post graduate students of all streams in medical curriculum ensuring comprehensive clinical training, research exposure, and professional development.
2. **Scope:** This SOP applies to postgraduate medical students across all specialties, faculty coordinators, and administrative staff.
3. **Objectives:**
 - a. Provide postgraduate students with opportunities to explore areas of interest beyond core curriculum requirements.
 - b. Enhance clinical, research, and interdisciplinary skills through specialized learning experiences.
 - c. Encourage innovation, critical thinking, and leadership development in diverse medical domains.
 - d. Encourage a balance between academics, extracurricular, and mental well-being during residency.
 - e. Understand the importance of medico-legal aspects.
 - f. Foster collaboration across specialties and institutions for a holistic approach to medical education.
4. **Eligibility:** Postgraduate medical students enrolled in accredited programs
5. **Elective Categories:** Topics for Electives can be chosen from areas such as
 - a. Point-of-Care Ultrasound (POCUS)
 - b. Palliative Care and Pain Management
 - c. Common Non-Communicable diseases (Diabetes, Hypertension , Renal failure , Liver disorders , Acute Coronary syndrome etc): Symptoms recognition and preventive measures.
 - d. Research methodology, Systematic Reviews, meta-analysis, Statistical methods in Medical Research, Clinical Trials (Design and Conduct) and Research ethics

[Handwritten signature]

[Handwritten signature]

Archan
Registrar
King George Medical University
Lucknow

- e. Medical Negligence, Professional Ethics, Documentation/Reporting in Medico-Legal Cases, Death certification and Legal responsibilities in clinical emergencies / poisoning / drug abuse cases etc
- f. Use of Artificial Intelligence and computers in Health and Medical Education and the Ethical use of technology including artificial intelligence etc. in medicine and allied branches.
- g. Health Management, Health economics and Leadership in Indian system of medicine.
- h. Art, Music and Literary activities
- i. Mental health at workplace
- j. Physiotherapy and Nutrition

These topics are provided for reference. The Head of the Department may introduce additional relevant topics as 'electives' based on the department's expertise and needs.

6. Procedure :

a. Selection of Electives

- ❖ A list of available electives shall be published at the beginning of each academic year.

b. Application Process

- ❖ Students must apply outlining:
 1. Preferred elective(s).
 2. Relevance to their career goals.
 3. Objectives and expected learning outcomes.
- ❖ Applications must be reviewed and approved by the Department Head.

c. Duration and Timing

- ❖ Electives shall typically last 2 weeks.
- ❖ Elective periods must not conflict with mandatory rotations or examinations.
- ❖ Electives will be taken at the beginning of their academic program.

[Signature]

[Signature]

Archi
 Registrar
 King George Medical University
 Lucknow

d. Mentorship and Supervision

- ❖ Each elective will have a designated faculty mentor.
- ❖ Mentors are responsible for guiding students, providing resources, and evaluating performance.

e. Assessment and Evaluation

- ❖ Students will be evaluated based on:
 1. Participation and engagement.
 2. Achievement of learning objectives.
 3. Final submission of portfolio
- ❖ Feedback will be provided to students to encourage continuous improvement.

7. Monitoring and Review:

- i. Annual review of electives to ensure relevance and quality.
- ii. Student and faculty feedback will be incorporated into the review process (preferably through google form)
- iii. Elective modules may be revised based on advances in medical education and healthcare needs.
- iv. The elective time shall not be used to make up for missed clinical postings, shortage of attendance or other purposes.
- v. Head of Department will pre-determine the number and nature of electives from his department, names of the supervisors, and the number of learners/postgraduates in each elective based on the local conditions, available resources and faculty.
- vi. It shall be preferable that elective choices are made available to the post-graduates at the beginning of the academic year.
- vii. The learner must submit a learning logbook and portfolio based on his/her choice of the electives.?
- viii. 75% attendance in the electives and submission of log book maintained during electives is recommended

Subject: Postponement of clinical posting of DM residents in the Department of Social and Preventive Medicine

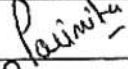

Respected Sir/Ma'am.

With reference to the letter with **Ref No: 1840/DGMH** the clinical posting of DM residents of the Department of Geriatric Mental Health (details mentioned below) was scheduled for 23.05.23 to 03.07.23. But in view of the ongoing thesis writing process and the due date for thesis submission timeline (31.05.2023), we would like to request for rescheduling of the clinical posting till further instruction will be issued in the due course.

Therefore, we seek your kind consideration to approve our humble request for the postponement of the clinical posting. Your kind approval is highly appreciated.

Thanking You.

Yours Sincerely,
