

5.2.2

HEI requests you to add a numerator each year in the criteria 5.2.2, as being graduated from a premier government institute, admitted for a degree of a Professional Course, 100 percent of our graduates are self-employed in private practice, or doing post-graduation, in both the scenarios every student needs to be registered with the State Medical/Dental Council. We are providing the List of students (**Annexure 11B**) with verification details by the respective dean and from the UP State Dental Council, those who have registered themselves for the practice license at the UP State Medical/Dental Council.
