Bruker's values and position on Ethics fully apply to this Certificate of Distributorship:

> *At HAIN, which includes Bruker Corporation and all of its direct and indirect subsidiaries, we value integrity, respect and trust. Ethical behavior and compliance are at the heart of our business. The words, "Innovation with Integrity" are a call to every one of us to pursue excellence in every aspect of our business. It is the cornerstone of everything we do and the basis of everything we stand for as a Company.*
> *These same standards apply fully to all of our suppliers, which we define as vendors, agents, distributors, lead finders, consultants and any subcontractors who may engage in support of Bruker's business across the globe. These standards also apply to all employees and agents of these suppliers. Bruker expects all Bruker's suppliers to conduct their business in a legally compliant manner. It is the responsibility of all Bruker suppliers to comply with the Bruker written Code of Business Conduct and policies as may be communicated to our suppliers in writing from time to time. Supplier shall not promote, market, include in a bid process, offer to sell or sell products under agreement with Bruker in violation of any applicable law or regulation issued by the European Union, the United States of America, the Territory or any other foreign government.*

Should you have any questions, please feel free to contact Bruker accordingly.

Yours sincerely,
