Welcome

Dear Colleagues,

The Department of Biochemistry, King George's Medical University, Lucknow is organizing a National Conference on “Recent Trends in Biomedical Research: Advances and Challenges” on 2nd & 3rd February 2019, under the aegis of Indian Academy of Biomedical Sciences (IABS).

The aim of this conference is to explore the existing concepts, recent advancements, controversies and challenges in all avenues of biomedical research. The conference will deal with re-emerging biomedical and clinical research; it will provide a platform for refreshing our knowledge and forecast future developments in biomedical and clinical research. The conference will provide a better platform for the biomedical scientists, researchers and educators to present and discuss the most recent innovations, trends as well as practical challenges encountered and solutions adopted in the field of Biomedical research. The organizing committee is geared up for an informative conference program including plenary lectures on a variety of topics, invited lectures and poster presentations for participants from all over India.

We, the organizers, extend you a cordial invitation to attend the National conference and assure you a feast of an Academic, Scientific and Social bonanza.
