Inviting online observations/comments from the vendors on the website kgmu.org /kmcindia.edu for Purchase/Subscription of Thieme Clinical Collection India eBooks on proprietary basis.

Subject: Inviting online observation/comments on the Subscription proposals received for procurement/subscription of Online Platform of Thieme Clinical Collection India eBooks for the year 2022 on proprietary basis.

The Central Library, King George’s Medical University UP, Lucknow has to procure subscriptions on Proprietary basis through their authorized Indian Agent/(Original Publishers) as noted below:

- M/s International Subscription Agency, Flat No.2, Nirala Market, Nirala Nagar, Lucknow

The concerned proposal from vendor alongwith proprietary article certification by the concerned publisher as well as by the Honorary Librarian, Central Library, King Georges Medical University, Lucknow are attached and uploaded on website.

The above documents are being uploaded for open information to submit objections, comments if any, from any manufactures/publishers/suppliers before declaring proprietary article of the above said e-resource online packages to be procured/ subscribed within 15 days from the date of issuance/uploading of the notification. If there is any objections/comments by any other authorized vendors/firms to the proposal submitted by the said publisher (M/s Thieme Medical and Scientific Publishers Pvt.), then the objection/comment can be communicated to the Central Library by email: honorarylibrarian@kmcindia.edu with copy to the Vice Chancellor on: vc@kmcindia.edu failing which it will be presumed that any other vendor is having no comments/objections for above subscription/purchase on proprietary basis and case will be decided on merits.

PRODUCT DESCRIPTION

Thieme Clinical Collections provide online access to Thieme's renowned book program in clinical medicine and is available to purchase on a perpetual access & ownership licensing model. Front list titles are available for purchase in advanced of publication.

The Collections contain an extensive assortment of E-Books carefully selected to provide the students, researchers, and clinicians at your institution with thorough coverage of all major medical fields. Each title is representative of Thieme's commitment to the highest standard of quality in the content and presentation of all of its products.

The Collections reflect Thieme's status as a global market leader in many specialties including neurosurgery, radiology and dentistry, and include a variety of co-publications with the American Association of Neurological Surgeons, one of the foremost professional societies in the field.

In addition the Collections feature an impressive selection of titles in orthopedic surgery, otolaryngology, audiology, neurology, internal medicine, ophthalmology, and more.

Full-color illustrations, clinical photographs, and high resolution radiographs enhance the books throughout. Every title in the Collections is representative of Thieme's reputation for publishing practical, lavishly illustrated references that supply clinicians with the focused guidance they need to tackle the multitude of challenging situations they face every day.
