Inviting online observations/comments from the vendors on the website kgmu.org/kgmcindia.edu for Subscription to the e-resource package, the Online platform of Complete Anatomy (Elsevier) on a proprietary basis.

Subject: Inviting online observation/comments on the proposal received for procurement/subscription of e-journals/Database i.e. the Subscription of **Online Platform of Complete Anatomy (Elsevier)** from M/s RELX India Private Limited, 14th Floor, Building No. 10B, DLF Cyber City, Phase II, Sector 24, Gurugram, Haryana, on proprietary basis.

The Central Library, King George's Medical University, UP, Lucknow has to procure subscription **on Proprietary basis through their authorized Indian Agent/Original Publishers as noted below:**

- M/s Total I.T. Solutions Pvt. Ltd, WZ- 248, 2nd Floor, Plot No.7, Inder Puri, New Delhi- 110012

The concerned proposal from vendors along with proprietary article certifications by the concerned publishers as well as by the Honorary Librarian, Central Library, King George's Medical University, Lucknow, are attached and uploaded on the website.

The above documents are being uploaded for open information to submit objections, comments, if any, from any manufacturers/publishers/suppliers before declaring proprietary articles of the above-mentioned e-resource online packages (database) to be procured/ subscribed within 15 days from the date of issuance/uploading of the notification. If there is any objections/comments by any other authorized vendors/firms to the proposal submitted by the said publisher (TLS), then the objection/comments can be communicated to the Central Library by email: purchaselib@kgmcindia.edu, honorarylibrarian@kgmcindia.edu with copy to the Vice Chancellor on : vc@kgmcindia.edu failing which it will be presumed that any other vendor is having no comments/ objections for above subscription/purchase on proprietary basis and case will be decided on merits.

Curriculum Manager

Features:

1. Courses

Curriculum manager offers a set of ready-made interactive educational Courses by top anatomical experts, ready to share immediately with your students. The learning assets cover subjects within anatomy, physiology and ultrasound, with many others coming soon.

2. Content Tools

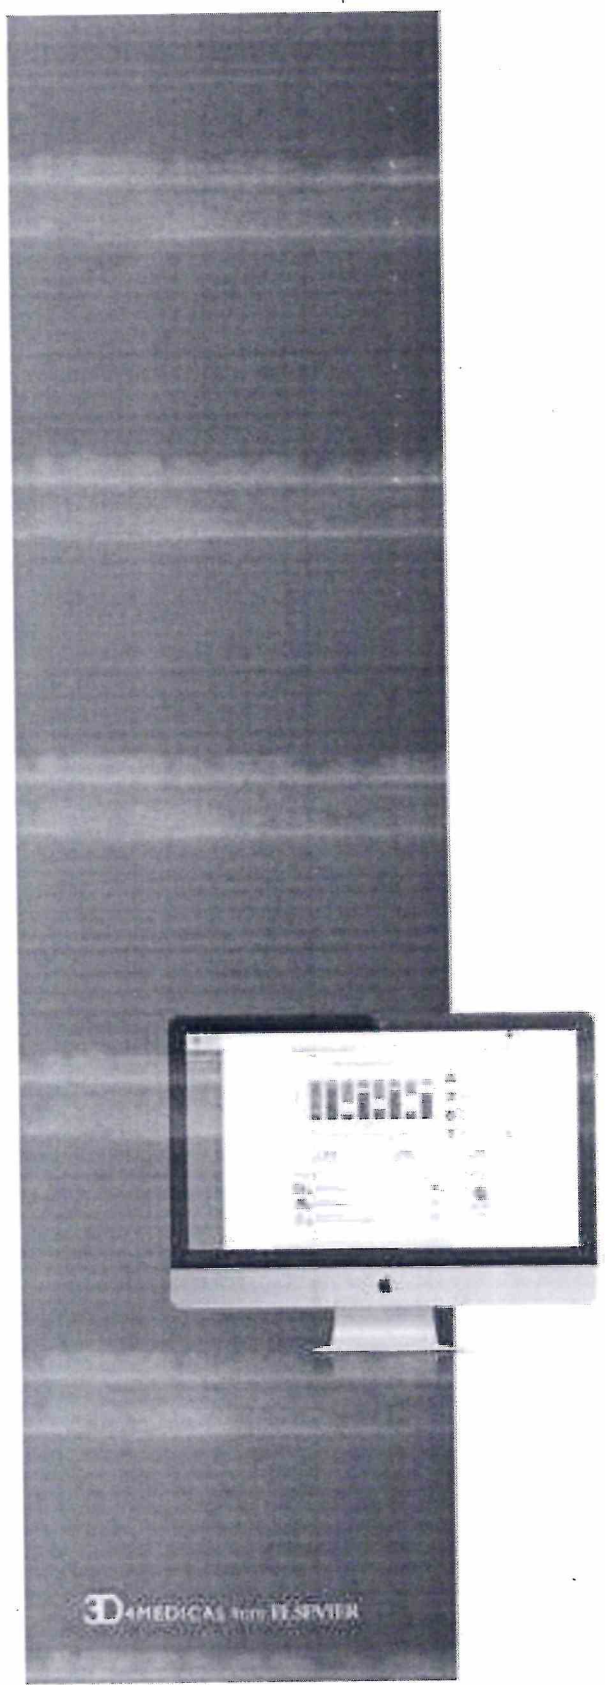

Want more customization? Curriculum manager includes a range of content Tools, where you can customize or create content for your own curriculum, using our unique toolset and a comprehensive library of screens, images, quizzes and anatomical resources. Simply drag and drop from the high-quality, premade assets to assemble your own Lectures in as little as three minutes.

3. Group Manager

Curriculum manager allows you to manage your students' access to content with Group Manager, subdividing class groups and allocating access as appropriate.

4. Assessment Dashboard

Finally, you can get feedback on students' participation with your own custom Dashboard; reporting on how students perform on your quizzes and tracking student engagement with your content.
