MOST URGENT & IMPORTANT

CIRCULAR

This circular serves as a reminder of the recent online meeting held with the National Medical Commission (NMC), New Delhi, during which it was emphasized that all faculty members and residents of our esteemed University are required to mark their attendance on Aadhar Enabled Biometric Machines.

The NMC has mandated this biometric attendance system for all faculty members and residents. Failure to comply with this mandate may result in adverse actions against the University, including heavy fines, reduction of MBBS/PG/Super Specialty seats and the potential surrender of courses.

Therefore, it is imperative that all faculty members and residents adhere strictly of this directive and ensure their attendance is marked accurately on the Aadhar Enabled Biometric Machines.
