Dear Madam/Sir,
 Eminent faculty who have already published books with reputed publishers will be sharing their experiences about book writing. Also, experts from Springer, the world leader in publishing will update the participants with the newer developments in this field. This workshop will be useful for faculty members who are interested in becoming authors and also for faculty members who have already written books. The registration fee is only INR five hundred. This fee can be deposited either in Library Account or deposited as cash.
